# MEMORANDUM

PUBLIC HEALTH SERVICE  
HEALTH RESOURCES ADMINISTRATION  
BUREAU OF HEALTH RESOURCES DEVELOPMENT  
DATE: November 14, 1974

TO : HRP Executive Staff

FROM : R. L. Peterson 

SUBJECT: HRP Executive Staff Meeting, November 11

In order to be able to have the HRP orientation session for Regions IV and VI in Atlanta, rather than St. Louis, some juggling of dates has been necessary. The following reflects the revised schedule for the January regional sessions:

January 13-14, Regions IV and VI - Atlanta

January 16-17, Regions I, II, and III - Washington

January 23-24, Regions VIII, IX, and X - San Francisco

January 28-29, Regions V and VII - St. Louis

Copies of the recently submitted HRP issues proposed for inclusion and analysis in support of the FY 77-81 Forward Plan, were distributed. There was a brief discussion of these. HRP executive staff were asked to review the paper and submit any further comments they might have in writing by Friday, November 15, if at all possible. There is time for revision of the issues proposed, or inclusion of others.

Mr. Rubel stated that the Senate bill and report were scheduled to be filed the following day, Tuesday. (They were but we have not received prints of either yet.) It now appears there is a good chance that both the House and Senate will vote on their respective HRP bills some time the first week in December.

The HRP Executive Staff will meet again on Monday, November 18, at 9:00 A.M. Attached is a copy of a Tentative HRP Implementation Plan which will be one of the things we wish to discuss next Monday.
